CANI-TABS® OMEGA3 EPA & DHA

Oral Capsule

Omega 3 Supplement in coated capsules.

Formulation

Omega 3 (providing EPA 180 mg and DHA 120 mg) 1000 mg

Indications

Fish oil supplement that contains a pure source of fatty acids: omega-3, an antioxidant that helps to protect against free radicals that cause damage to cells of organs in the body. It maintains a healthy skin and shiny fur. Promotes optimal health for the joints, the heart, brain and eyes.

Dosage and Administration

Dogs: administered orally at 1 softgel per 25 kg, daily. Although it is recommenden to administer whole way (the Tablet cover protects the omega-3 from potential damage produced by stomach acids and allows proper reléase and absorption in the small intestine), it may be drilled and mix into the food.

Commercial Presentation

Bottle x 100 tablets, Bottle x 60 tablets,
