Palatable tablets

Nutritional Supplement for the Health of Hair, Skin and Mantle and Nails

Formulation

Each tablet contains: Biotin 1.00 mg, Zinc 5.00 mg, Vitamin A 800.00 IU, Vitamin D3 50.00 IU, Vitamin E 15.00 IU, Methionine 18.75 mg, Lysine 18.75 mg, Threonine 18.75 mg, Glycine 18.75 mg, Aspartic acid 18.75 mg, Proline 18.75 mg, serine 18.75 mg, cysteine 18.75 mg, choline 30.00 mg, excipients q.s.p.1 tablet.

Indications

Nutritional supplement to improve the health of the skin, hair and nails. The combination of biotin, zinc, vitamin A, methionine and other amino acids and vitamins, promotes healthy skin development and the quality and shine of the coat. It also promotes the formation of keratin for nails. Its use during moulting accelerates the speed of the replacement of the coat. Puppies: Promotes healthy growth of the coat, skin and nails. Adults: Skin recovery. Accelerates moulting. Seniors: to postpone symptoms of aging in skin, hair and nails.

Dosage and Administration

Daily oral supplement. Due to its high palatability, it can be administered directly before meals or by disintegrating and mixing it with them. Dogs under 5 kg in weight: 1 tablet daily. Dogs from 5 to 25 kg: 2 tablets daily. Dogs over 25 kg in weight: 3 tablets daily as maximum dose.
