MICROQUEL® COW 7 IN 1 PX

Premix

Organic chelated microelements protected with methionine (AHM) for superior performance. Exclusive for dairy cattle

Formulation

Zinc (as zinc-AHM*)7000 mg, Copper (as copper-AHM*) 2500 mg, Manganese (as manganese AHM*) 40 mg, Iodine 50 mg, Cobalt (as cobalt-AHM*) 20 mg , Selenium (as selenium- AHM*) 50 mg, Chromium (as chromium-AHM*) 40 mg, *Methionine (AHM) 38 000 mg, excipients q.s. ad 100 g.

Indications

Prevention and treatment of deficiencies associated to minerals of the formula. The organic chelation with AHM (Methionine Hydroxy Analog) protects minerals from undesired reactions in the intestine (increased stability at low pH). The passive release and absorption through the intestinal lumen are exceptionally improved with reference to inorganic minerals.

Dosage and Administration

0.5 - 0.8 kg/MT of feed or according to the indications of the veterinarian/nutritionist. Administer orally.

Commercial Presentation

Sachet x 100 g, Sachet x 1 kg, Sachet x 5 kg, Sachet x 10 kg, Bag x 25 kg, Bag x 20 kg,
