VETPRO® DERMACARE DRY FOAM SHAMPOO

Shampoo

Dry Foam Shampoo with Natural Agents

Formulation

Neem extract 1%, rosemary extract 1%, Aloe vera 0.02%, Jojoba oil 0.01%, Vitamin E 0.01%, D-Panthenol 0.01%, Argan oil 0.01%, excipients and purified water.

Indications

Vetpro® Dermacare Dry Foam Shampoo is a dry foam shampoo with natural ingredients, no harsh chemicals, paraben-free, pH neutral and safe for daily use. It contains moisturizing agents, surfactants, tensioactives and deodorizing agents; which produce the cleaning effect.

Dosage and Administration

Topical dermal route for use as a dry bath for dogs, cats and puppies. As a general rule, apply shampoo twice a week until the coat looks more hydrated and shiny, then once a week or as needed to maintain a healthy coat.

Commercial Presentation

140 mL bottle,
