VETPRO® DERMACARE OTIC CLEANSER

Otic Solution - Drops

Antiseptic - Antifungal - Antipruritic - Cerumenolytic - Keratolytic - Keratoplastic

Formulation

Each 100 mL contains: Lactic acid, 2.5 g; salicylic acid 100 mg; excipients q.s. 100 mL.

Indications

Hygiene of the external auditory canal: removal of earwax, debris and dirt from the ear, bad odor and prevention / control of ear infections, mainly in predisposed animals. Reduction of itching and irritation, pain and inflammation. Routine cleaning of the ear canals or before otitis externa therapy. Maintenance of the natural microbial balance.

Dosage and Administration

Apply 3 - 5 mL directly into the ear canal. Provide a light massage at the base of the ear so that the product adheres to the walls and is distributed, cleaned and dried, removing the remains. Apply one to three times a week for routine use, once or twice daily in severe cases, before each ear treatment in the case of external otitis, or as directed by your veterinarian.
